## **CrystalClear PondShock 1 ball**

An organic ball powered by billions of all natural, live bacteria and enzymes to rapidly break down ammonia, nitrites and organic waste. Designed to give your pond an extra boost when poor water quality issues escalate. Also helps jump-start your biological filters in the spring and reduce ammonia spikes when new fish are added to the pond. A great alternative to chemicals to clear your pond water and balance the ecosystem.

**SKU** CC023-PS
